**Brian Nuss, Winemakers Tasting Notes:** A beautiful combination of fruit, elegance and rich textures makes this a delightful drinking sauvignon Blanc. This wine shows bright clean notes of grapefruit, orange peel and herbs which come together in a medium bodied food friendly wine.

**Vinoce Vineyards' Comments:** Our Sauvignon Blanc is a perfect expression of the Pope Valley vineyard where we source these grapes. A warm summer was perfect for ripening our grapes slowly giving us the flavors and aromas which make our Sauvignon Blanc so distinct.
